

JERRY JIANG

1205 Shetland Drive, Mundelein, Illinois 60060 | 708-522-2186 | jjiang316@gmail.com

Education

Northwestern University | 2019 – 2023 | Evanston, Illinois

- Second year computer science major
- Potential 4 Year BS/MS degree
- Combined GPA: 3.838
- Computer Science GPA: 4.0
- Relevant courses: Data Structures, Intro to Computer Systems, Machine Learning, Human Computer Interaction, Mathematical Foundations of Computer Science

Extracurriculars

IE³ Technical Program | November 2019 – Present | Evanston, Illinois

- Collaborated in a 4-person group for a machine learning project to identify whales based on photos of their tails
- Collected data for program training

Design Thinking and Communication Course | April 2020 – Present | Evanston, Illinois

- Designed an app to assist a dog groomer client in storing kennel dryer drying times and to notify groomers when dogs are done drying

Northwestern Formula Racing | October 2019 – Present | Evanston, Illinois

- Used Solidworks to design and manufacture the fuel system of the formula style car
- Reduced system weight by optimizing the volume and shape of the tank

Work Experience

Abbott Laboratories | June 2019 – September 2019 | Lake Bluff, Illinois

- Lab support intern on the on-market stability team
- Worked on data entry into Microsoft Excel and documentation about data transcription

Facebook | June 2021 – September 2021 | Menlo Park, California

- Incoming software engineering intern for summer 2021

Awards and Acknowledgements

- McCormick Dean's List
- Illinois State Seal of Biliteracy (English and Spanish)
- National AP Scholar

Skills

- Proficient in C++, Java, Python, C, MATLAB, Solidworks
- Familiar in HTML, CSS, JavaScript
